### **2004 Cover Design** **“Masking Consciousness”**

The CSA thanks the Wood Library-Museum (mask and ether can) and the Arthur E. Guedel Memorial Anesthesia Center (“Quiver and Gourd for Curare Arrows” from the Richard C. Gill Curare Collection, 1949) for their kind assistance, and for allowing us to use these images for the 2004 *CSA Bulletin* cover. We are particularly appreciative of the efforts of Carole Siragusa and Carol Brendlinger, photographers for these respective organizations. We also are grateful to Gabrielle Jackson (hand with mask sculpture) for another of her creative contributions. Furthermore, we recognize Jack Johnson of South Bay Software for his innovative design layout.
