Welcome to the 2010 CSA Annual Meeting and Clinical Anesthesia Update

This exciting and innovative program looks into the future of the specialty of anesthesiology, from upcoming changes in clinical practice, to practice management, to the impact of proposed government changes.

On Sunday, there will be a hands-on Ultrasound for Regional Anesthesia Workshop. Separate registration is required.

Saturday, corporate communications coach Cheri Kerr will lead a two-hour interactive session, *Effective Communication Skills in the Perioperative Setting*. Also on Saturday, Dr. Oswald Steward will deliver a lunchtime speech on the future of stem cell research and therapy.

In addition to the scientific sessions, the meeting includes the annual political and governance functions of the CSA. These include the CSA Issues Discussion Forum and House of Delegates, the CSA Resident Research Awards, and the Forrest E. Leffingwell Memorial Lecture.

You may register for the entire course, or opt for daily registration to select the portions of the program of greatest interest to you. We hope that you will enjoy this program and invite you to explore the many activities and attractions offered by Orange County.

Zeev N. Kain, M.D., MBA
2010 Clinical Anesthesia Update Chair

Adrian W. Gelb, MBChB
Chair, CSA Educational Programs Division

Target Audience

This program is designed to educate and/or refresh the knowledge of practicing anesthesiologists, nurse anesthetists, anesthesiology residents and students and other health professionals in the practice of anesthesiology.

Statement of Need

Anesthesiology is a dynamic specialty, with significant change over the next 20 years expected on a number of fronts, including new clinical technologies and practices, regulatory changes, business process changes and more. In addition to providing a comprehensive review of the latest clinical information, this program seeks to prepare the practicing anesthesiologist for changes anticipated in the next two decades.

The Hilton Orange County/Costa Mesa

Take advantage of the special CSA rate of **\$129**. Reservations for the Hilton Orange County/Costa Mesa should be made by contacting the hotel at **1-800-HILTONS** or clicking on the link on CSA's Annual Meeting page at **www.csahq.org**. Mention you are with the California Society of Anesthesiologists meeting when making reservations. The cutoff date for the CSA rate is **April 22, 2010**.

The Hilton Orange County/Costa Mesa offers complimentary shuttle service to and from the John Wayne/Orange County Airport, a short five minutes away. The hotel is centrally located to all of Orange County and Southern California's most popular attractions, including nearby Newport Beach. The Hilton is a perfect destination located within walking distance of famed South Coast Plaza Shopping Center and near the Irvine business district.

Disabled persons with special requirements should contact the CSA office 14 days prior to the meeting.

Refund Policy

There is a \$75 administrative charge for registration fee refunds. We must receive your request in writing **prior to April 22, 2010**. After this date, no refunds will be issued.

Continuing Medical Education

The California Society of Anesthesiologists is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The California Society of Anesthesiologists Educational Programs Division designates this educational activity for a maximum of **19 AMA PRA Category 1 Credits™**. Physicians should only claim credits commensurate with the extent of their participation in the activity.

Certificates of attendance for CME credits will be mailed within two weeks after the program.

Faculty members have provided learning objectives for each lecture or group of related lectures, and they are posted on the CSA Web Site at **www.csahq.org** and will be included in the conference syllabus. You may also call the CSA office at **800-345-3691** to have the objectives sent to you.

This course has been approved by the American Association of Nurse Anesthetists for **19 CE Credits**; Code number 32583; Expiration date 5/16/10. Your CE certificate will be based on your attendance record and will be mailed from the CSA office.

Disclosures

All faculty participating in continuing medical education activities sponsored by the California Society of Anesthesiologists are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) discussed in a continuing medical education presentation(s). Disclosure of faculty and provider relationships with commercial supporters will appear on our Web site and in the conference syllabus.
