

CSA VIRTUAL ANNUAL MEETING MARKETING PROSPECTUS

April 17 & 18, 2021

Benefits of supporting the CSA Virtual Meeting:

- Space in the Virtual marketing space is very limited to allow more prevalent logo recognition.
- Safe environment to market your product to healthcare professionals
- Position your brand with the California Society of Anesthesiologists membership base of over 4,000 members
- Show your support of CSA during these uncertain times

Highlighted topics will be presented Saturday and Sunday:

- **From the CEO: What we look for in Physicians and Specifically Anesthesiologists**
Lori Morgan, MD, Huntington Hospital
- **Opioid Risk Satisfaction: Current Strategies; Comorbid Disease and End of Life Considerations**
David Copenhaver, MD, MPH, UC Davis and Damoon Rejaei, MD, Sutter Health
- **CSA Leffingwell Speaker - GAIN Without Pain: A Pathway to Wellness for Physicians**
Gregory Hammer, MD, Stanford University
